Weight (kg) ~	6

EMPTYING AND MAINTENANCE

INSTALLATION

This model allows it to be fitted to an existing post or supporting element, such as streetlights, signals, traffic lights, etc. It is also possible to install it on its own pole and even the installation of three units on the same pole. The installation either to its own post or supporting element is produced by means of straps and buckles that join the body of the bin with the corresponding pole

OPTIONS

Cigarette extinguisher

Stainless Steel Ashtray
