SULO®

Small, but super professional

MB25 25L

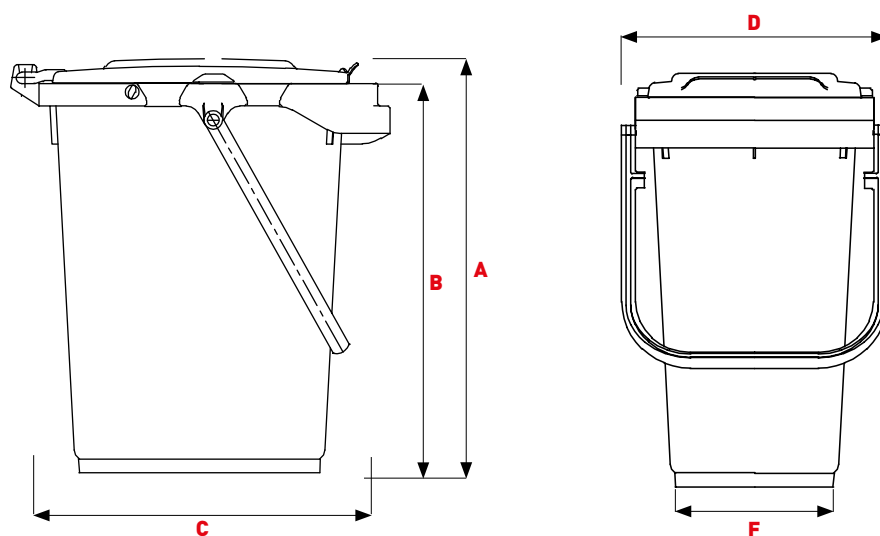

The perfect solution for one-person households

With 25 l volume this comfortable presorting bin is the smallest in the SULO range that is equipped with a DIN comb for regular emptying.

- Resistant to decay, frost, heat and many chemicals
- Special UV-stabilisation provides excellent ageing characteristics
- Fitted as standard with chip nest in accordance with RAL GZ 951/1
- Compatible with all identification and weighing systems
- Easy to clean due to smooth surfaces and rounded internal corners
- Equally suitable for indoor presorting or as an XXS bin, standing right next to the MGBs.
- The perfect bin for 1-person households, which accumulates less waste than 60 litres (smallest size)
